How many people reside in your household?	What is the existing water heater fuel type? <input type="checkbox"/> Electricity <input type="checkbox"/> Oil (includes oil fire boiler w/ hot water coil) <input type="checkbox"/> Propane <input type="checkbox"/> Natural Gas <input type="checkbox"/> Wood	By submitting this form, I certify that I purchased a heat pump water heater for the NYSEG and RG&E service address noted above, and I am a NYSEG and RG&E electric customer. I agree with the NYSEG and RG&E terms and conditions noted below.		

**Mail completed form and a copy of your sales receipt to:**

**NYSEG and RG&E Rebate Center • 980 Beaver Creek Drive • Martinsville, VA 24112**

(Rebate application will not be accepted without a copy of your receipt. Please do not send this form with your utility bill payment.)

### General Terms and Conditions

1. Equipment and services must be purchased after April 1, 2020. Rebate payments will be based on the equipment purchase date.
5. I understand that I may be contacted in the future by NYSEG and RG&E or its designee to evaluate my experience with this program via survey or questionnaire to provide feedback, and to verify installation through an on-site inspection. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
2. This heat pump water heater rebate is exclusively available to residential electric customers of NYSEG and RG&E.
6. One rebate check will be issued to the applicant for each approved and completed application.
3. It is the responsibility of the customer to ensure that all requirements for the rebate are met and that all required documentation is provided.
7. NYSEG and RG&E assumes no responsibility for the performance of the equipment and equipment warranty, the quality of the work, labor and/or materials supplied.
4. Failure to provide any of the required information will prevent processing of the application.

By submitting this application, the customer agrees to the terms and conditions of this document. The customer hereby consents to the utilization and release of his or her energy consumption data and usage by NYSEG and RG&E and/or its designees, including program administrators and evaluation contractors. These administrators and contractors are obligated to NYSEG and RG&E to keep customer information confidential. The release and usage of data will be only for program evaluation, program eligibility determination, energy savings purposes and analysis and will be kept confidential. Additional copies of this form are available on [nyseg.com/heatpumps](http://nyseg.com/heatpumps) or [rge.com/heatpumps](http://rge.com/heatpumps)
